

Our Brilliant Bodies

16th June

**Aberdeen
Science Centre**

**Highlighting international
research coming to Aberdeen
this summer – **Physiology 2019***

Test yourself and learn how your body works:

- ***'Get moving'*** – How nerves control your muscles
- ***'Have a heart'*** – Recording the heart's electricity
- ***'Breathe easy'*** – Test your lungs
- ***'Fight the flab'*** – Muscle or fat? Feel the difference
- ***'Two heads are better than one'*** – Stem cells & regeneration
- ***'How do I become a medical researcher?'*** – Ask a scientist

1495

**UNIVERSITY OF
ABERDEEN**

**The
Physiological
Society**

***AECC 8th July - www.physoc.org/Physiology2019-annual-public-lecture**
