

Bed Poverty

Cash for kids can provide beds for children who currently don't have their own bed to sleep in at night. If you wish to apply for this then please contact Mrs J Munro at jo.munro@aberdeenshire.gov.uk and I will make the application on your behalf. The application, if successful, will be fulfilled with a single bed, mattress, duvet and pillow which will arrive 'flat packed' and will require assembly by you. No other type or style of bed can be supplied.
