

## Alford Academy Senior Phase course choices S5 into S6 2023-2024

- Please read carefully the important information in the Senior Phase Course Choice booklet on the school website.
- You should plan to build up a portfolio of qualifications across your one, two or three years of the Senior Phase. Whilst every effort is made to accommodate all choices some combinations may not be possible in a particular session. Due to low uptake some courses may not run.
- S6 pupils have a six-column choice plus a core programme.
- All pupils should choose a minimum of 5 choices.
- The sixth choice will either be an additional course or choices from our Horizons programme.
- To ensure our youngsters thrive as individuals, we all need to develop new skills. These skills are not just to help us cope in this environment of ongoing change. They are skills to excel; to collaborate and empathise with others and to create our own futures. At Alford Academy we believe developing skills is integral to success and our Horizons programme provides the opportunity to “stand out from the crowd” and develop skills for the future. Our Horizons programme will provide a range of experience to further develop skills for learning, life and work. These will include one or more online courses, volunteering in school as a classroom buddy / library ambassador, work experience, career planning or participation in our personal learning programme.
- If you are choosing an Advanced Higher course you should be on track to also achieve at least 5 Highers by the end of S6.
- Pupils who choose college will be notified by their guidance teacher on how to apply – Please note that successful applicants will start college in August 2022 after the summer break.
- Foundation Apprenticeships will run at Alford Academy with a viable cohort. If it is not running at school, pupils can apply to college to complete an FA via their guidance teacher.
- Please complete the google form by providing the subjects and level you wish to study in **order of preference**, together with **two** reserve choices.

**Please submit this google form no later than Wednesday 8<sup>th</sup> March 2023. Your Guidance teacher will view your chosen subjects and level of study.**

Advanced Higher courses	Art & Design Business Management Biology Chemistry	Computer Science English French Geography	History Mathematics Modern Studies Music	Physics Spanish Graphic Communication Mechanics
