

Automotive

Level 4

Over the next year you will learn about...

The Garage

- Demonstrate knowledge of the automotive industry
- Develop an understanding of health and safety requirements

The Technician

- Demonstrate knowledge of servicing vehicles

The Car

- Knowledge of automotive checklists
- Change a road wheel safely
- Carry out a valet on a car

Vehicle Modification

- Produce a plan to modify a vehicle
- Review and evaluate own employability skills

Foundation Apprenticeships let employers know that you have skills and knowledge suitable for working in an automotive related work place.

Metaskills

Many of the metaskills you will learn about are required in any job you will apply for.

To achieve your qualification you will:

- Attend class each week
- Be committed to learning new things and completing your work within a given timescale.
