

# Construction

Level 4/5

## Over the next year you will learn about...

### Personal Development

- Develop self-awareness
- Reflect on skills knowledge

### Bench Joinery Skills

- Identification and use of tools
- Manufacture a rectangular frame
- Fit and fix a panel

### Sustainability

- Knowledge of sustainability
- Impact of sustainability

### Construction Methods

- Material performance
- Risk Assessments

Foundation Apprenticeships let employers know that you have skills and knowledge suitable for working in a construction related work place.

## Metaskills

Many of the metaskills you will learn about are required in any job you will apply for.

To achieve your qualification you will:

- Attend class each week
- Be committed to learning new things and completing your work within a given timescale.
