

Name of course	Level of course	Assessment Pattern	Important Deadlines	Course Make-up	Prelim length
Admin and IT	National 5	<p>Assessment for each practical topic: DTP/PPT/email/e-diary – June Word Processing – late Sept/early October Databases – November Spreadsheets – December</p> <p>Joint assessment for theory topics: Skills/Qualities of an Admin Assistant, Health and Safety and File Management – October Customer Service and Corporate Image – November Electronic communication and Sources of Information – December Security of Property, People and Information and Customer Service - March</p>	<p>Assignment is done before Easter (word processing, DTP, PPT, email, ed diary, theory) – after the end of February (3 hours to be done in 1 sitting – exam conditions)</p> <p>Question paper – done in exam diet 2 hours (spreadsheets, databases, theory)</p>	<p><a href="#">Component 1 – Assignment – 70 marks (58%)</a> <a href="#">Component 2 – Question paper – 50 marks (42%)</a></p>	<p>3 hour – assignment – IT required 2 hour - question paper – IT required</p>
Admin and IT	Higher	<p>Assessment for each practical topic: Word Processing – September Databases – November Spreadsheets – December</p> <p>Joint assessment for theory topics: Customer service, skills and qualities senior admin assistant, time and Task management – September Legislation and Teams – November Meetings - December Digital technology and Communication – March</p>	<p>Assignment is done before Easter (Spreadsheets, Databases, Word Processing, Email, Ed diary, PPT) 2 hours to be done in 1 sitting – exam conditions.</p> <p>Question paper – done in exam diet 2 hours (theory)</p>	<p><a href="#">Component 1 – Assignment – 70 marks (58%)</a> <a href="#">Component 2 – Question paper – 50 marks (42%)</a></p>	<p>2 hour – Assignment 1.5 hour - Question Paper</p>
Applications of Mathematics	National 3	<p>There are three units to negotiate (1) Numeracy (2) Manage Money &amp; Data (3) Shape, Space &amp; Measures</p> <p>These will take place when pupils are ready for assessment/reassessment with instructions and materials posted on Google Classroom.</p> <p>For some students, these could take place if a candidate finds the respective National 4 unit assessment too challenging.</p>	<p>One unit assessment (including reassessments) needs to be completed by Christmas. All other unit assessments (including reassessments) will need to be completed by an SQA deadline in May.</p>	<p><a href="#">There are three units to negotiate</a> <a href="#">Numeracy</a> <a href="#">Manage Money &amp; Data</a> <a href="#">Shape, Space &amp; Measures</a></p> <p><a href="#">Candidates need to be successful in all three units in order to gain this qualification.</a></p>	<p>There is no prelim/SQA exam.</p>
Applications of Mathematics	National 4	<p>Statistics Unit Assessment – June Finance Unit Assessments – September/October Numeracy Unit Assessment - December Geometry &amp; Measures Unit Assessment - February Added Value Unit Assessment – March</p> <p>Some students might need more time to prepare for these unit assessments. The dates above are offered as guidance.</p>	<p>One unit assessment (including reassessments) needs to be completed by Christmas. All other unit assessments (including reassessments) will need to be completed by an SQA deadline in May. Added value unit assessment has two sections. One of these is non-calculator.</p>	<p><a href="#">The units are</a> <a href="#">Finance &amp; Statistics</a> <a href="#">Numeracy</a> <a href="#">Geometry &amp; Measures</a> <a href="#">Added Value</a></p> <p><a href="#">Candidates need to be successful in all four units in order to gain this qualification.</a></p>	<p>There is no prelim/SQA exam.</p>
Applications of Mathematics	National 5	<p>Statistics Unit Assessment – June/July Finance Unit Assessments (Nat 4 &amp; Nat 5) – September/October Numeracy Unit Assessment (Nat 5) - December Geometry &amp; Measures Part 1 Unit Assessment (Nat 5) - February Measures Part 2 Unit Assessment (Nat 5) - March Exam standard assessments to follow on from unit assessments. Prelim – January Second Whole Course Assessment – March</p>	<p>Geometry &amp;</p> <p>One unit assessment (including reassessments) needs to be completed by an SQA deadline in March. All other unit assessments (including reassessments) will need to be completed by an SQA deadline in May.</p>	<p><a href="#">There are no internal assessments that will count towards the overall grade. The overall grade is based upon performance in the SQA exam. Students in Applications teaching groups will undertake unit assessments in order to try to ensure that a qualification is achieved</a> <a href="#">Students entered for Applications in addition to Mathematics would not necessarily also be entered for unit assessments, although these students could be entered for National 5 Numeracy.</a></p> <p><a href="#">The units are</a> <a href="#">Finance &amp; Statistics</a> <a href="#">Numeracy</a> <a href="#">Geometry &amp; Measures.</a></p>	<p>There will be two exam papers Paper 1 will be non-calculator Paper 2 will allow a calculator</p> <p>Paper 1: 50 minutes Paper 2: 100 minutes</p>
Applications of Mathematics	Higher	<p>Block 1 Assessment September Block 2 Assessment November Prelim – January Second Whole Course Assessment – March</p>	<p>Project needs to be completed by end of December.</p>	<p><a href="#">27% of the marks to be allocated are based upon the performance in a project. The project has two stages (1) research and (2) report.</a> <a href="#">All other marks are gained in the SQA exam in May.</a></p>	<p>There is one exam paper - ICT required 125 minutes A calculator may be used.</p>
Art and Design	National 4	<p>Both portfolios run concurrently throughout the year, assessed at regular points</p>	<p>Expressive and design activity complete by 11th January 2024 Added value unit complete by March 22nd 2024</p>	<p><a href="#">Expressive Activity 37.5%</a> <a href="#">Design Activity 37.5%</a> <a href="#">Added Value Unit 25%</a></p>	<p>No exam requirements</p>

Art and Design	National 5	Portfolios are ongoing throughout the year and produced concurrently. Question paper practice and revision is ongoing throughout the year with full content covered by the time study leave begins.	Portfolios – Page 1 complete 21st September 23 Portfolios – Page 2 complete 11th January 24 Portfolios – Final complete including evaluations 22nd March 24 in school revision completed – 19th April 24 April 2024 – Uplift of portfolios Date TBC	<a href="#">Design Portfolio 40%</a> <a href="#">Expressive Portfolio 40%</a> <a href="#">Question Paper 20%</a>	May 28th 2024 – Exam at 12:30 (1.5hr)
Art and Design	Higher	Portfolios are ongoing throughout the year and produced concurrently. Question paper practice and revision is ongoing throughout the year with full content covered by the time study leave begins.	Portfolios – Page 2 complete 10th January 24 Portfolios – Final complete including evaluations 25th March in school revision completed – 17th April 24 April 19th 2024 – Estimates April 2024 – Uplift of portfolios TBC	<a href="#">Design Portfolio 38.5%</a> <a href="#">Expressive Portfolio 38.5%</a> <a href="#">Question Paper 23%</a>	1 hour (reduced prelim time to reflect the fact that all content has not yet been covered)
Art and Design	Advanced Higher (Expressive and Design)	Ongoing work on portfolios with deadlines to monitor pace meets minimum expectations of 6 A1 pages or equivalent of work which includes investigations, developments and resolutions with flow and focus. Last month of course purely for the essay. Two links provided for AH Expressive and AH Design	Note: <a href="#">May – Uplift of all work TBC</a> <a href="#">May – Estimates</a> <a href="#">(As long as pace and quality is met the content there is slightly flexible)</a> <a href="#">2 A1 pages ideally including investigation, development and a resolution – 20th September 2023</a> <a href="#">4 A1 pages ideally including I, D, R – 31st January 2024</a> <a href="#">6 A1 pages ideally including I, D, R – 24th April 2024</a> <a href="#">Essay/evaluation/statement – 17th May 2024</a>	<a href="#">Portfolio – 70%</a> <a href="#">Essay – 30%</a>	No prelim required for Advanced Higher as they write an essay instead of sitting an exam.
Biology	National 4	Practice Learning outcome 1: Sept 23 LO1 final – Feb 24 Unit 1 UASP/AB week beginning 2/10/23 Added value 9/10/23 Unit 2 UASP/AB – week beg 11/12/23 (with slippage) UASP unit 3 for units only - last week of March	Project completion first draft by xmas holidays	<a href="#">Cell Biology</a> <a href="#">Multicellular Organisms</a> <a href="#">Life on Earth</a> <a href="#">Added Value Unit</a>	No prelim or final exam
Biology	National 5	Practice Learning outcome 1: Sept 23 LO1 final – Nov 23 Unit 1 UASP/AB week beginning 2/10/23 Assignment 9/10/23 Unit 2 UASP/AB – week beg 11/12/23 (with slippage) Prelim – Jan prelim diet All topic assessment/ UASP unit 3 for units only - last week of March	Assignment completion before October hols	<a href="#">Assignment 20 marks 20%</a> <a href="#">Exam 80%</a> <a href="#">Multiple choice (25/100)</a> <a href="#">Written paper (75/100)</a>	2.5 hours 1.5 hours for assignment – in class time
