

Did you know...

...that you can read or listen to all of these books (and more!) on your phone?

How?

Step 1

Scan the QR code to download Libby onto your phone.

Step 2

Add your library card to Libby using your Young Scot number and library PIN.

*Young Scot card number = long number underneath your name (don't include the last two digits).
Your PIN will probably be 1234.
Scan the QR code to the right if that doesn't work – Mrs BM will give you a new PIN.*

Come and see Mrs BM in the library at break or lunch if you need any tech support.
