Alford Academy Senior Phase course choices S3 into S4 2024-2025

- Please read carefully the important information in the Senior Phase Course Choice booklet on the school website.
- You should plan to build up a portfolio of qualifications across your one, two or three years of the Senior Phase. Whilst every effort is made to accommodate all choices some combinations may not be possible in a particular session. Due to low uptake some courses may not run.
- S4 pupils should choose **four** courses at National level (English and Maths are core).
- Pupils who choose college will be notified by their guidance teacher on how to apply – Please note that successful applicants will start college after the summer break in August 2024. Pupils who attend college will be absent from school for 1 day a week, which may impact on their other national qualifications.
- Please use the choice form to choose four courses and the level at which you wish to study. Please complete the google form provided stating your courses and levels you wish to study in **order of preference**. Please also provide **two** reserve choices.
- Students who were presented early at National 5 in S3 and would like to progress take Higher in S4 please discuss with you Guidance teacher and Faculty Head of that subject. When choosing your subjects, tick the box – I would like to take this at higher level on the google form.

Please submit this google form no later than Wednesday 29th February 2024. Your Guidance teacher will view your chosen subjects and level of study.
